## Somerset Park

This immaculate 4 bed 3 bath home with 2 en suites is packed with great finishes throughout including a custom built water feature to greet your guests. This home has split unit airconditioning, built in cupboards in all the rooms, Xpanda security gates all round and is beautifully tiled. Probably the greatest featured of the house is the double volume roof in the entrance hall that leads into an immaculate granite topped kitchen ,dining hall and large TV Room. The aluminium doors and windows give the home a fresh and modern feel. A double lock up garage with pool and back garden round off this home in the sought after Somerset Park.
